Product Description

Professional LED RF EMS Body Shaping Face Lifting Machine For Skin Rejuvenation

Product Description:

The RF EMS Beauty Instrument is designed with an output power of 10W and an RF frequency of 1MHz, which makes it an effective tool for skin tightening and slimming. The device is equipped with advanced technology that helps to stimulate collagen regeneration, improve skin elasticity, and promote blood circulation, resulting in a more youthful-looking skin.

Whether you are looking to reduce the appearance of fine lines and wrinkles, or simply want to improve your skin tone and texture, the RF EMS Beauty Instrument is the perfect solution. Its voltage range of 100-240VAC makes it suitable for use in any part of the world.

This beauty medical equipment is available in two colors, white and black, to match your personal style. Its sleek and compact design makes it easy to use, and its portable size makes it convenient for travel.

Overall, the RF EMS Beauty Instrument is an excellent investment for anyone looking to improve their skin's appearance. Its ability to tighten and slim the skin makes it a valuable tool for those who want to achieve a youthful and radiant-looking skin.

Features:

Product Name: RF EMS Beauty Instrument

Output Power: 10W

Voltage: 100-240VAC

Rf Frequency: 1MHz

Number Of Modes: 5

Function: Face Slimming, Face Lifting, Anti-aging

Our RF EMS Beauty Instrument is a versatile device that can be used for a variety of beauty treatments. With an output power of 10W and a voltage range of 100-240VAC, it is powerful enough to provide effective results. The device operates at a 1MHz Rf frequency, which is perfect for skin tightening and rejuvenation. With five modes to choose from, you can customize your treatment to suit your individual needs.

The RF EMS Beauty Instrument is perfect for those who want to achieve a slimmer, more youthful appearance. Its functions include face slimming, face lifting, and anti-aging. Whether you are looking for a non-invasive alternative to the VELA-SHAPE Slimming Machine, an Elight Rf Laser Machine, or an RF Thermage Machine, our RF EMS Beauty Instrument is the perfect solution.

Muscle

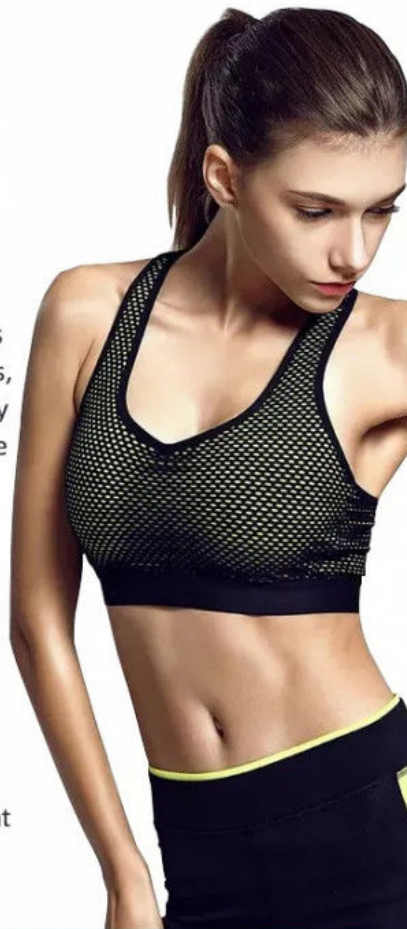

MAGNETIC LISKIN

Principle:

Tighten the lower muscle layer with a depth of 7cm, which makes the muscle strength contract for 30 minutes, which is equivalent to 30,000 abdominal crunches, which triggers the decomposition of body fat without affecting the skin, shaping the figure and charming curves.

Efficacy:

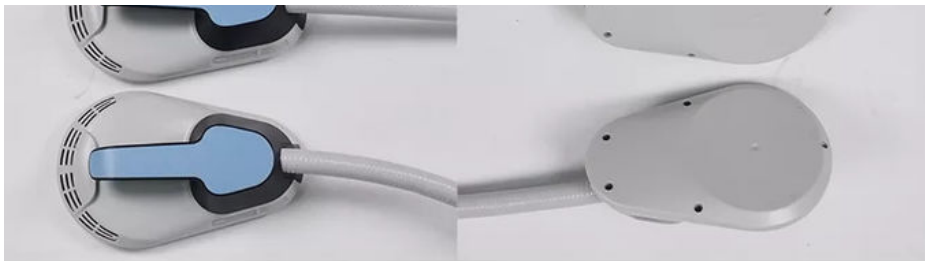

- ☒ Scientific body sculpting
- ☒ Healthy and efficient
- ☒ Increase muscle mass and reduce fat
